CSCI 4211
Intro to Computer Networks
CSCI 4511W
Intro: Artificial Intelligence
CSCI 3081W
Program Design & Development
CSCI 4041
Algs & Data Str.

About Me

Hello, my name is Jack (or John). I'm a CSCI UMN-Twin-Cities Alumni who enjoys 3d modeling, drawing 2d textures, and hand/vibe coding video games. I love music, listening to it, writing it, recording it, and performing on any instrument I have next to me. I'm very hands-on and project-oriented; I recently built and endtable out of cedar for my room. I like working with others, whether thats on a new album, a new video game, or just fishing. I am a recovering marijuana addict

Work History

Grandview Lodge September 2019 – Febuary 2020 (Server Assistant @ Cru) May 2024 - August 2024 (Host @ Cru)

- Checked the online scheduling service to collect a reservation count
- Used the reservation count to setup a seating arragnment

Target May 2022 – September 2022 (Tech Service Desk)

- Kept digital inventory of the backstock, floor, and freight
- Got comfortable answering calls concerning tech issues and replacing sim cards on phones

Caribou Coffee May 2023 – Febuary 2024 (Barista)

- Multi-tasking and working multiple positions at once.
- Handling high-stress situations and using assertive communication when needed.

Starbucks June 2026 – August 2026 (Barista)

- Great listening skills; Exceptional at working with others to solve differences.
